

Grandparents & relatives As Parents

June 24, 2011

Dear GAP Conference Participant,

In March the GAP Conference was held at the Clarion Hotel of Lexington, KY. Three months have passed, and the GAP Conference Planning Committee would now like to learn whether the conference was helpful in fulfilling your role of grandparent or kin caregiver. To do this, we ask you to fill out the attached [orange] survey. Beyond helping us plan the next conference, the information you provide is important to the agencies that support the conference.

If you received one-on-one legal consultation during the conference there is an additional [yellow] survey enclosed specific to that experience. Please also complete that survey and return both in the stamped envelope.

If you would rather complete the survey[s] electronically, please visit our website at www.gapofky.org. When you complete the survey[s] electronically, there is no need to return a paper copy.

The results of all surveys will be combined and this information may be shared with conference supporters and professional audiences. However, your personal information will not be shared with anyone.

If you have any questions, please feel free to contact Dianna Doggett at the Fayette County Extension Office [859-257-5582].

Thank you in advance as your insight is valuable to us.

Sincerely,

Members of the GAP Conference Planning Committee

Save the Date!
