Featured Speaker: Dr. Clarissa Belle

Dr. Clarissa Belle is a licensed psychologist with a passion for assisting youth, families and child-serving systems in coping with psychological trauma. During her doctoral studies at the University of Kentucky, Dr. Belle was drawn to children with intense behavioral and emotional problems. She quickly realized that behind their tough exterior and withdrawal, there was significant unresolved pain. While working in school-based mental health clinics, community mental health clinics, and training educators across the state, Dr. Belle has maintained a focus on working to enhancing the functioning of trauma exposed youth. Dr. Belle recently started a private practice, Higher Horizons, and the foundation of her practice is cultivating safe, supportive and trusting relationships because relationships are the conduit through which effective treatment and systemic change take place.
